

TECHNICAL DATA SHEET

Citra Cling Mold Cleaner Aerosol 46515

Product Description

This water-based, high density citrus foam cleaning agent “clings” to the mold surface for maximum performance. It removes mold releases, dirt, oil and greases and also helps break down resin and gas deposits that clog mold vents. The superior cleaning action clings even to vertical surfaces and is safe to use on painted objects and plastic parts. Pre-testing on painted surfaces and plastic parts is recommended.
