**FOR IMMEDIATE RELEASE**

**Powerful, disposable, cleaning towels cut through tough industrial grime and residue**

*Economical cleaning cloths placed at every work station promotes cleaner, safer work environment*

Mold & Metal Wipes, the fast, powerful, industrial-strength disposable cleaning towels for industry, make quick work of tough contaminants, residue and grime. Placed conveniently at strategic locations in a manufacturing or industrial plant, they will help maximize productivity, and promote a cleaner, safer work environment.

Mold & Metal Wipes are made specifically for the needs industry. Saturated with a powerful cleaning agent, Mold & Metal Wipes remove mold releases, grease, oil, silicone, polishing compounds and much more from almost any surface\* (\*pre-test wipes on non-metal surfaces).

Surfaces dry quickly after using wipes, and wipes helps reduce environmental impact by reducing solvent consumption and VOC emissions up to 50%. Wipes contain no Hazardous Air Pollutants (HAPs), so you can feel confident placing tubs of wipes in convenient locations for use throughout your plant.

Disposable Mold & Metal Wipes in the handy tub dispenser take the place of wipe towels, solvents and solvent dispensers. Wipes can be used instead of less desirable cleaning agents including 1,1,1 trichloroethane, acetone, methylene chloride, mineral spirits, toluene, lacquer thinner and more.

Wipes are also available in small, single-wipe packets.

Founded in 1953, Slide Products, Inc., an environmentally conscious manufacturer, makes mold releases, cleaners, rust preventives and more.
