## Resin Remover Mold Cleaner Aerosol

41914

### Product Description

Slide's heaviest duty mold cleaning formulation containing powerful solvents that easily remove resin build-up without needing to detach the mold from the press, thus minimizing downtime and maximizing production. It is commonly used to remove and strip away resin build-up from polyacetal, PVC, urethane and flame-retardant additives. Resin Remover® is also known to efficiently unclog mold vents, as well as helping eliminate most color deposits and stains on the mold.
