

TECHNICAL DATA SHEET

Mold Shield Dry Rust Preventive Aerosol

42910P

Product Description

Mold Shield[®] has a unique, extra-dry spray package, which delivers a dry, non-silicone, non-wax and non-penetrating protective coating onto the mold surface including ejector pin sleeves, slides, cams and other moving mold components. This special dry mist will not bleed out, and prevents marking of plastic parts when molds are put back into service. Offering self-cleaning action at production start-up, there's no need for cleaning it off with a solvent. Up to 2-years corrosion protection under normal indoor storage conditions.

Applications

Rust Preventive

Shelf Life

Three years from Date of Manufacture (as found on the bottom of each can and shipping box)

Unit Package Description

16 ounce aerosol

Generic Description

Rust Preventive

Net Weight Fill

10 net ounces

UPC Code

858799000295

Appearance

Brown-tint Liquid

Odor

Petroleum like
