**FOR IMMEDIATE RELEASE**

## **The Power of Plastic Cleaner is now in a convenient wipe**

*Slide Products' extremely popular Plastic Cleaner is now available in handy, disposable towelettes*

Wheeling, IL – Now get the power of Plastic Cleaner in a convenient towelette. Infused with the same effective cleaner found in Plastic Cleaner aerosol, Plastic Cleaner Wipes effectively remove oil and dirt marks from all plastics, even sensitive polycarbonates, and are ideal for cleaning plastic parts, and removing mold releases prior to secondary operations.

A great multi-purpose cleaner with a variety of uses, Plastic Cleaner contains no ammonia. It can be used to clean: safety gate doors on molding machines, tile and porcelain, chrome, glass & mirrors, even metal. Wipes come in a convenient, re-sealable tub that can be kept at each workstation, helping to maximize productivity. A non-flammable, water-based cleaner with low VOC's, Plastic Cleaner has a pleasant, fresh scent. Just wipe clean, then polish with a clean, dry cloth.

Founded in 1953, Slide Products, Inc., an environmentally conscious manufacturer, makes mold releases, cleaners, rust preventives and more.

For a trial sample of Slide's products and a catalog go to [www.slideproducts.com](http://www.slideproducts.com), or contact Slide Products, 1-800-323-6433; Fax: 1-800-756-7986; Email: [info@slideproducts.com](mailto:info@slideproducts.com).
