

## TECHNICAL DATA SHEET

### X-EMPT Mold Cleaner Bulk/Liquid 47401B, 47405B, 47455B

#### Product Description

Single-purpose industrial mold cleaner formulation that contains only EPA-exempt VOC compounds and surpasses California's CARB standards. This formulation includes Acetone as its primary ingredient, and is ideal to use when a strong mold cleaner is needed in shops that require EPA-exempt VOC compound mold cleaners. X-EMPT evaporates quickly and is not for use on painted surfaces.

#### Applications

Mold Cleaner

#### Unit Package Description

1, 5 and 55-gallon containers

#### Generic Description

Mold Cleaner

#### Approx. Net Weight Fill per Gal.

7 pounds

#### Net Weight Fill

1 - 55 gallons

#### Appearance

Colorless Liquid

#### Odor

Floral, sweet, acetone

#### Flash Point F

Negative 4 degrees

#### Flash Point C

Negative 20 degrees

#### Base Type

Acetone

#### Evaporation Rate

Fast

#### HMIS Rating

1, 3, 0, X

#### DOT Proper Shipping Name

UN1090, Proper Shipping Name - Acetone, Hazard Class - 3, Packing Group - II

#### VOC % (Federal)

100

#### VOC g/L (Federal)

784.86

#### VOC lbs./Gal (Federal)

6.55

#### Removal

Will Evaporate Completely

#### Units Per Case

1

#### Case Weight (lbs)

Various

#### Working Temperature F

32 to 300 degrees

#### Working Temperature C

0 to 149 degrees

#### Specific Gravity

0.796
